OUR COMMITMENT FOR MAXIMIZING EXAM AUTHENTICITY AND CONTINUITY

ABOUT THE CLIENT ━━━━━

The client's offerings in strategy, consulting, digital, technology, and operations are unrivalled. It collaborates with more than three-quarters of the Fortune Global 500, pushing innovation to improve how people work and live throughout the world. It has experience in more than 40 industries and all aspects of business.

PROBLEM STATEMENT ━━━━━

With the company being at a significant stage of growth they intend on hiring at least 1 lakh candidates in a year. However, hiring in bulk numbers would put a huge logistical burden on their recruitment team. The client wanted assistance with:

1. Formulating a recruitment plan for the company, within a short span of time.

2. Ensuring the recruitment of highly talented and intelligent candidates by evaluating them using appropriate recruiting strategies.

3. End to end solutions such as creating test content, providing online platform, managing offline test centres and providing technical support

ABOUT US

We are a Global Online Talent Assessment Company empowering businesses, academic institutions, sector skills councils, and the government with deep talent insights, while also enabling better hiring and development decisions. Through our robust, highly secured, and certified test engine – enriched with advanced analytics, is highly interactive, and has intelligent assessment tools – we drive great business results and people ROI for our custom-ers. Wheebox offers a highly customized, scalable, and advanced AI-Driven platform to assess talents. We help our customers screen and select the right brains with the right attitude complimenting an organization's culture. Over a decade, Wheebox has been offering a wide array of validated assessments across pre-hiring screening, cognitive & behavioral evaluations and development for more than hundreds of companies globally.

Wheebox brings powerful and customizable solutions in time to help deliver any type of online examination certified by CERT-In (National Agency for Cyber Security), for application security, that helps educational organizations identify & build cost-effective online examinations with higher accuracy enabling them to conduct the desired online examinations.

SOLUTION

Wheebox conducted two lakhs assessments across test centres all over India within a span of one year.

Provided the organisation with a database of technical and aptitude questions

Managed test centres by providing on ground support to ensure smooth and hassle free recruitment experience of test centres

PROCESS

1. Provided 24/7 online support to assist the candidate in addressing any issue faced with the test

2. Improved the quality of individuals recruited in the company

3. Wheebox online platform used by the company helped the company in speeding their recruitment process

4. Wheebox identified critical to quality parameters in conjunction with the client and created standardised assessments consisting of skills including coding, case studies and behavioural competencies
